

Emilia Hanida Prilianti

Fullstack Developer

Jakarta, Indonesia | +6285156690048 | emiliahanida@gmail.com | [LinkedIn](#) | [Github/Portfolio](#)

SUMMARY

As an enthusiastic full-stack developer, I discovered my passion for coding, especially when I joined Hactiv8. Despite coming from a political science background, I learned about programming language and technologies, mastering front-end development and building reliable back-end server logic and databases. Coding has become my true calling, and I'm excited to continue growing and creating innovative solutions in the world of technology.

EDUCATION

Hactiv8

Full Stack JavaScript Immersive Program ([Transcript](#))

Jakarta, Indonesia
